EXPERIENCE

JOTFORM

Turkey

Frontend Developer Intern

Jun 2024 - Jul 2024 · 1 mos

- Implemented chat integration into the Jotform Tables, leading to team working space. Collaborated with a team of interns. Managed frontend development, ensuring the code was compliant with the company standards. Used React, Redux, and Redux-Saga for development.

TRAIR SOFTWARE TECHNOLOGY INVESTMENTS

Turkey

Web Developer Intern

Jul 2023 - Aug 2023 · 1 mos

- Designed and developed websites using Next Js and React Js with a focus on creating dynamic and responsive user interfaces. I worked with a team of interns. I learned the Python Django framework, enhancing my skills in backend development and web application architecture.

EDUCATION

BALIKESIR UNIVERSITY

Turkey

Bachelor of Engineering in Computer Engineering

2020-2024
